

■ StormTune — One Pager v1.0

Smart AI Racing Assistant for Real-Time Tuning Insights

Feature	Value
Weather-Based Tuning	Auto-corrects fuel & timing based on conditions
Tire Pressure Advisor	Optimized PSI for drag, drift, rally, circuit
SparkGap Advisory	Dynamic plug gap recommendations for boost & temp
Race Modes	Street, Drag, Circuit, Rally — tailored presets
Offline Mode	Works even without internet at the track

■ Vision: Democratize motorsport tuning by giving every racer a smart, affordable, and flexible digital copilot.

■ Target Audience: Track-day racers, drag racers, rally drivers, grassroots motorsport enthusiasts, and semi-pro tuners.
